

Small Multipurpose Boxes

SCB1W

Features:

SCB1W

- Small multipurpose boxes with lids
- These boxes are moulded in ABS to give maximum strength but can be easily punched or drilled for individual requirements and to produce a professional looking end product
- Lid retained by countersunk self tapping screws

T3, T3G and T4

- Miniature sloping module case
- A highly adaptable miniature case ergonomically designed for desk and dashboard packet can be used either way up for the desired application
- Manufactured from high-impact black ABS with single self-tapping panel on the largest flat surface
- A cable knock-out is provided for flying lead applications

Dimensions : Millimetres
