Tradename

- AN-Series NEMA 4X

Benefits and Features

- External mounting brackets allow the box to be mounted on a wall or panel without having to remove the cover and exposing internal components to the environment
- Rugged #ADC-10 alloy die cast aluminum box with NEMA 4X and IP65 ratings
- Type 4X as listed under UL file #E194432
- Permanently fastened .09" thick mounting bracket accepts up to #10 mounting screws (not included)
- Available in natural finish or in smooth black powdercoat finish
- Gasketed cover attaches with screws
- Easily machined and modified to your particular requirements
- Offers EMC protection

Accessories

- None at this time

Applications

- Instrument cases
- Meter cases
- Junction boxes
- Marine applications
- Wet and dirty industrial applications
- Washdown environments

Competition and Competitive Advantages

- Hammond
 - ITT Pomona
 - TECO
 - OKW
- Eliminates need for customer to remove cover to mount box, thereby protecting internal components.
