ABUS 4 PIN TUMBLER MECHANISM

- ◆ Hardened steel shackle
- ◆ Double bolted, 30mm and above
- ◆ Quality pin tumbler mechanism
- ◆ Self-locking mechanism
- ◆ Available boxed, carded or KA

THE COMPLETE RANGE

The ABUS 65 Brass Padlocks series is available in a complete range sizes from 15mm to 60mm, including the popular 35mm and 45mm half sizes, ensuring that 65 series can meet any special requirement.

LONG SHACKLES

The most popular sizes are also available complete with long hardened steel shackles for a high degree of hacksaw resistance.

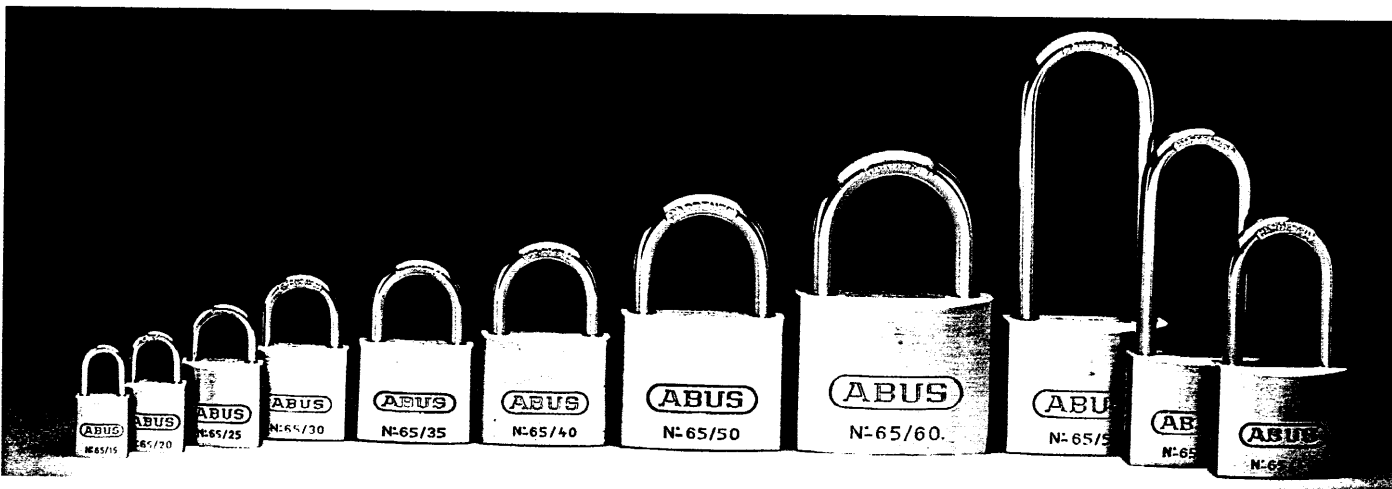

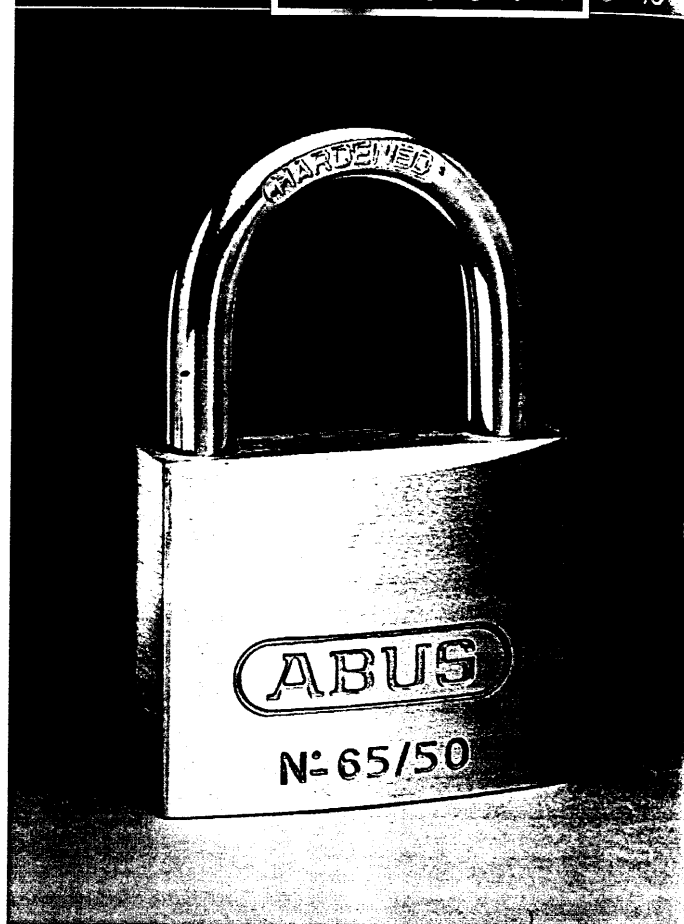

65MBHB-30mm and 40mm Brass Padlocks with long brass shackles offer anti-spark and corrosion free security for vulnerable petrol pumps, electrical switch-gear and other specialist requirements. (65 SERIES TWIN PACKS AVAILABLE IN 20 25 30 40 50mm)
