

Right Angle 1/4" Phone Plugs

171-1206, 171-1306

Right Angle 1/4" Phone Plugs

These 1/4" phone plugs feature all metal construction and are recommended for applications where a more rugged connector is required. The right angle construction allows their use where space does not permit the use of conventional long handled plugs.

SPECIFICATIONS	
Type:	1/4" right angle phone
Finish:	nickel plated
