

Spanners

40R Speed Combination Spanners

Satin chrome finish. 3-surface drive provides greater power from more wrench to nut contact points which reduces the risk of fastener wear and wrench slippage. Twice as fast as a conventional open-end spanner.

489057

| Size (mm) | Order Code | Price Each |
|-----------|------------|------------|
| 8         | 137-4317   |            |
| 10        | 137-4318   |            |
| 11        | 137-4319   |            |
| 13        | 137-4320   |            |
| 14        | 137-4322   |            |
| 15        | 137-4323   |            |
| 16        | 137-4324   |            |
| 17        | 137-4325   |            |
| 18        | 137-4326   |            |
| 19        | 137-4327   |            |
| 20        | 137-4328   |            |
| 21        | 137-4329   |            |
| 22        | 137-4330   |            |
| 23        | 137-4331   |            |
| 24        | 137-4332   |            |

Set

Supplied in a roll.
