aluderm®-aluplast Plaster Dispenser

Filled with four varieties of high quality, aluminium vaporised, aluderm®-aluplast wound plasters. Each plaster variety is stored independently in its own compartment, which avoids confusion and gives a clear product overview for the user. When the plasters are used, the dispenser can be simply re-filled.

ABS-thermoplastic, 160 x 122 x 57 mm. Bottom section with separate compartments for plaster strips and fingertip plasters, upper section with compartment for finger plasters. Contains aluderm®-aluplast fingertip plasters, aluderm®-aluplast plaster strips, 7,2 x 2,5 cm and 7,2 x 1,9 cm, 25 pieces of each variety, as well as 15 aluderm®-aluplast finger plasters, 12 x 2 cm. All plasters are individually sealed, which protects against dirt and dust, thus ensuring a better storage and extended product longevity.

aluderm®-aluplast Plaster Dispenser 10 09 910
