2500, 3500, 4500 Ram Chassis Cab 09-10

Grand Caravan 2008-10

STERLING - Bullet 2008-2009

**** ADVISEMENT ****

Read instructions completely prior to starting installation. All InDash Mounts are designed so that after installation, phone is facing normal driver position for left-hand drive vehicles. This mount is not designed to be used in foreign countries with right-hand drive vehicles. Use extreme care when working around the plastic components on the dash. Excess force, can cause breakage of the plastic components.

STEP #1 Place InDash by PanaVise Mount into either Cubby Box in the radio and climate control bezel. Make sure the face of the mount is facing to the right of the cubby. On Grand Caravan, place mount in cubby below radio, between air vents.

STEP #2 Install the (2) Larger screws at the back of the the cubby. Install (1) smaller screw into the hole closer to the opening of the Cubby.

INSTALLATION IS NOW COMPLETE.

ENJOY YOUR NEW INDASH by PANAVISE MOUNT.
