

Deb® Skin Care System™ 'Cradle' Dispenser

Complete 3-step skin care system specifically for mobile vans and other areas of limited space or where no clean running water is available.

Features & Benefits

Colour-Coded - Easy visual identification of product type. Encourages correct product usage and compliance.

Pumps Integrated into Each Cartridge - Ensures maximum level of hygiene and no risk of product cross-contamination.

Uses Deb System Cartridges - Enables cartridges to be replaced in seconds. Reduces maintenance time and costs.

Language Neutral Usage Instructions - Easy to follow illustrations, ideal for multi-nationality workforces.

Cartridges Designed to Collapse During Use - Ensures full evacuation of product with no wastage. Excellent economy in use and easier to dispose of empty packaging.

Compact Design - Requires limited space.

'Knack-Lock' Closing Mechanism - No key required. Provides maximum user convenience.

Recyclable Cartridges - All cartridge components are made of fully recyclable materials which are easy to dispose of in recyclable waste.

Highly Durable and Impact Resistant - Able to withstand high levels of wear and tear, suitable for use in busy and hard wearing environments.

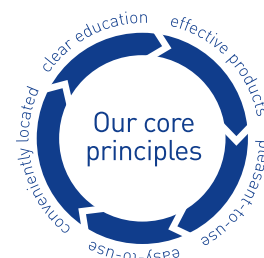

No Mechanical Parts - Nothing to mechanically go wrong and no maintenance.

Site Glass - Indicates the level of product in the cartridge which helps identify when cartridges need replacing.
