Part Number	97F5276
-------------	---------

Brand	Genteq
-------	--------

Lead Time	Standard
-----------	----------

Microfarad (μF) Single / 1st	60
------------------------------	----

Microfarad (μF) Dual / 2nd	
----------------------------	--

Voltage Rating	370
----------------	-----

Case Diameter (in)	2.5
--------------------	-----

Style of Case	Round
---------------	-------

Case Height (in)	3.88
------------------	------

EIA Base Code	T
---------------	---

Required Operation Life (hrs)	60000
-------------------------------	-------

Operating Temperature	-40°C to 70°C
-----------------------	---------------

Product Type	Oil-Filled (UL Approved)
--------------	--------------------------

Stud	No Stud
------	---------

Special Feature 1	
-------------------	--

Special Feature 2	
-------------------	--
