### HW1F -31F20H2 -G

[IEC style industrial switches, pilot devices and EStops]

HW1F -31F20H2 -G

**Price\*** \$73.50 [Check Store Now](#)

#### Note

Note: All pricing is USA suggested retail.

#### Product Specifications

|                                |                                                          |
|--------------------------------|----------------------------------------------------------|
| Status                         | Active                                                   |
| Mounting Hole Size             | ? 22mm                                                   |
| Operator Function              | Selector Switch Illuminated                              |
| Operator Details               | Spring Return from Right                                 |
| Bezel Type                     | Plastic                                                  |
| Bezel Height                   | Standard                                                 |
| Bezel Shape                    | Round                                                    |
| Handle Type                    | Knob                                                     |
| Handle Color                   | Green                                                    |
| Number of Positions            | 3                                                        |
| Illumination Style             | Transformer                                              |
| Illumination Voltage           | 120V AC                                                  |
| Lamp Type                      | Incandescent                                             |
| Contact Block Termination Type | Finger Safe Screw Terminal                               |
| Contact Rating (General)       | 10A                                                      |
| Normally Open Contacts         | 2                                                        |
| Normally Closed Contacts       | 0                                                        |
| Contact Form                   | SPST                                                     |
| Contact Material               | Silver                                                   |
| Ingress Protection Rating      | IP65 (Oiltight)                                          |
| Construction Type              | Removable Contact Block Assembly, Snap-on Contact Blocks |
| Product Series Name            | HW Series                                                |
