

4 mm Sicherheitssystem / 4 mm safety system

Technical drawing of a mechanical assembly. The drawing shows a side view and a top view. The side view shows a horizontal assembly with a central shaft of diameter $\varnothing 4$. The shaft is supported by two bearings. The distance between the bearing centers is L . The total length of the assembly is $38,5$. The distance from the left bearing center to the right end is 20 . The distance from the left bearing center to the left end is $10,5$. The top view shows a circular cross-section of the shaft with a diameter of $\varnothing 7,8$. The shaft is shown in a cross-section with a diameter of $\varnothing 4$. The drawing includes dimension lines and arrows indicating the measurements.
