MS-V308

Hook and Loop Cable Ties (Assortment Pack)

Individual packing

Poly bag (15pcs/pack)

The hook and loop cable ties are made by Nylon/P.P. material and offered 5 colors combination pack (Black, Blue, Green, Red, and Yellow). They are good for use in binding the cables and patch cables and won't even affect the transmittance performance because of over tight binding. Reusable, the back-to-back design provides instant installation without using tools.
