

TIL, TIG, TIH, TII-Series

The TI-Series Tippette rocker switches are available in single pole (TIL), double pole (TIG), three pole (TIH) and four pole (TII) versions. These switches are available with nylon snap-in or screw-type mounting brackets, are AC rated to 20 amps and suitable for low voltage DC applications. Multiple actuator options and colors are available, and many circuits have international approvals.

- Specifications**
- Certifications*: UL, CSA, and VDE
 - Dielectric Strength: 1,000 V (minimum)
 - Insulation Resistance: 100 Megohms (minimum)
 - Base Material: Phenolic
 - Actuator Material: Nylon
 - Bracket/Bezel Material: Nylon or Steel
- * Due to ongoing technological advances, consult factory for certification specifics.

- NOTES:
- Shading indicates standard configurations.
- Dust covers for single and double pole are available, consult factory.
- Panel Cut-Out Recommendations: For sheet metal panels, switch must enter panel in same direction as the punch. (Burr on bottom.) Test cut hole in actual material.
- 1 Horsepower rating for code 5 is applicable to certain circuits only. Consult factory for specifics.
- Rating Code 9 for TIG-Series only with maintained A, B, K, L and M Circuits, and N Bracket Style, terminals 0 or 1 only.
- Rating Code 72 for TIG-Series only, in maintained circuits, with N or W Bracket Style only.
- 2 For double actuator with or without interlock or other actuator styles, consult factory.
- Imprinting available on smooth face rockers.
- 3 Glossy finish is standard. Custom colors are available. Consult factory.
- 4 Barbs are available on FN style bracket to accommodate panel thicknesses of .062, .100, .125, .156 and .250. Specify after bracket selection. (ex.) FN/.125
- MBL, NBL & WBL brackets are molded in black. If white is desired, specify as MWH, NWH & WWH.
- Bracket Styles D, E and G available. Consult factory.
- Bracket Style M consists of LNP rocker, neoprene seal, syntech grease, dummy rivets. M, N and W brackets supplied in two pole bases.
- MBL does not have UL, CSA approvals.
- Bracket style H available with actuator styles 7N and 7P only.
- 5 Actuator & Bracket Finish is a matched set.
