

Rubber Grommet KG-Type

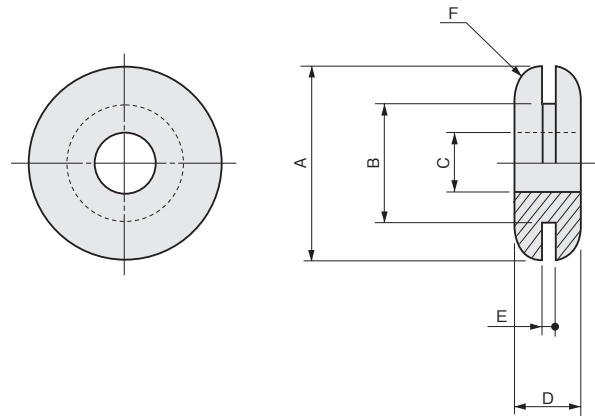

Characteristic

Installation can be made with a single touch and it is effective on preventing wire disconnection.

Application

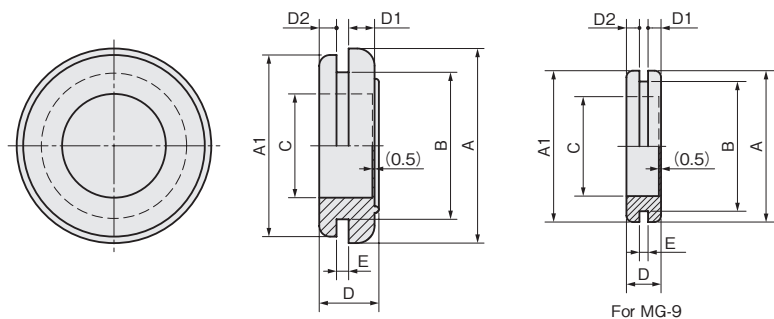

Controller devices / Telecommunication devices / Electric appliances, etc.

Model No.	Material	Hardness	Color
KG	EPDM	50°±5°	Black

Model No.	A	B	C	D	E	F	Net Weight (g)	Code No.
KG-74	7	5	3	4	1	R1	0.1	5223
KG-742	7	5	3	5	2	R1	0.1	5224
KG-95	9	7	3	5.5	0.8	R1.5	0.3	5225
KG-115	11	8	5	5	1	R1.5	0.4	5226
KG-135	13	8	5.5	5	1	R1.5	0.5	5227
KG-16	16	12	9	6.5	1.5	R3	0.6	5229

Rubber Grommet MG-Type

Characteristic

It has a dustproof function other than wire disconnection preventing effect that ordinary grommets have.

Application

Computers / Measuring instruments / Telecommunication devices / Electric appliances, etc.

Model No.	Material	Hardness	Thickness of Membrane (mm)	Color
MG	EPDM	50°±5°	approx.0.5	Black

Model No.	A	A1	B	C	D	D1	D2	E	Net Weight (g)	Code No.
