 Text Search: 'F512D6-6F46Y'

Your search criteria matched only one product, shown below

F512D6-6F46Y

- Pass all TIA/EIA-568-B.3 performance requirements
  - FOCIS-5 compliant
  - Insertion loss per mated pair: 0.50dB typical; 0.75dB max.
  - Factory terminated and 100% tested for insertion loss
  - Insertion loss data recorded for every multimode cable assembly
  - Lifetime traceability of test data to a Q.C. number on each cable assembly
- \* MTP is a registered trademark of US Conec Ltd.

|                                |                                                                                                                                                                           |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ▪ Part Number                  | F512D6-6F46Y                                                                                                                                                              |
| ▪ RoHS Compliancy Status       | Compliant                                                                                                                                                                 |
| ▪ Note                         | Intended for use in fixed installations which are outside the scope of RoHS                                                                                               |
| ▪ Part Description             | Male MTP* to male MTP* 12-fiber interconnect cable assembly (one male MTP* connector on each end on ribbon interconnect cable) – 50/125µm. Outside diameter: 5mm x 2.5mm. |
| ▪ Product Type                 | MTP* Interconnect Cable Assemblies                                                                                                                                        |
| ▪ Length (ft.)                 | 46                                                                                                                                                                        |
| ▪ Fiber Compatibility          | 50/125µm                                                                                                                                                                  |
| ▪ Fiber Cable Size             | 5mm x 2.5mm                                                                                                                                                               |
| ▪ Fiber Type                   | Multimode                                                                                                                                                                 |
| ▪ Connector 1 Type             | Male MTP*                                                                                                                                                                 |
| ▪ Connector 2 Type             | Male MTP*                                                                                                                                                                 |
| ▪ Fiber Count                  | 12                                                                                                                                                                        |
| ▪ Flammability Rating          | Plenum (OFNP)                                                                                                                                                             |
| ▪ Pricing Description          | Male MTP*- Male MTP* Ribbon Interconnect Cable Assembly OM2 50µm, OFNP, 46ft                                                                                              |
| ▪ Min. Order UOM               | PC                                                                                                                                                                        |
