

Single Travel Adapter

UNITED KINGDOM

Europe visits Great Britain!

The proverb "When in Rome, do as the Romans do" often also applies to the sockets in the country you are travelling to with the result that you cannot use the electrical device you have brought with you because the plug doesn't fit.

With the "Single Travel Adapter United Kingdom" you can safely and easily connect the devices you have brought from Europe to the mains supply in United Kingdom. Simply plug the adapter into the Great Britain socket – and you have permanent access to the mains supply while travelling.

It can be used with a range of devices, including: MP3 players, digital cameras, mobile phones, hair dryer, PDAs, GPSs etc.

Specifications:

- Designed & engineered in Switzerland
- Compact Design
- Smallest and most compact adapter for Europe
- Maximum Safety
- Lifetime Warranty
- Voltage: Max. 13A / 220-250 V ~ (integrated fuse)
