Unibit® High-Speed Steel Step-Drill Bit — Inch

- *Single-fluted design eliminates skidding and makes for easier resharpening.*
- *Laser-etched hole sizes are easy-to-read and permanent.*
- *Anti-skid tip eliminates the need for center punching or pilot hole drilling for most sizes.*
- *Drill multiple-size holes in thin sections of metal, plastic, and wood using a single bit.*
- *Works in most metals (steel, brass, aluminum, copper), as well as in plastic and wood.*
- *Note: Read and follow safety instructions in power tool owner's manual.*
