3R Series Mil-Standard Utility Case

AP3R-2423-17B

See reference chart for models with available 'slide-mount caster kits

FEATURES:

- Superior rotationally molded strength and ergonomic design
- Impenetrable, yet lightweight LLDPE shell for maximum impact resistance
- UV, solvent, corrosion and fungus resistant (MIL-STD-810F)
- Complete gasket seal makes these cases absolutely watertight (MIL-C-4150J)
- Automatic ambient pressure equalization valve (MIL-STD-648C & IP67)
- Black powder coated stainless steel hardware prevents rusting
- · Comfortable, spring-loaded, rubber over-molded handles
- These cases are designed and built to withstand levels of punishment in excess of all ATA and most industrial and military shipping specifications
