Best® N-DEX™ Disposable Nitrile Medical-Grade Gloves

[View Larger](#)

**Greater Puncture Resistance than
Natural Rubber and Vinyl Disposable
Gloves**

Patented 100% nitrile formulation provides excellent puncture and abrasion resistance over other types of disposable gloves in medical situations. **Disposable Nitrile Medical-Grade Gloves** protect hands from a broad range of chemicals

in intermittent contact or splash applications. Ambidextrous, 9-1/2"L disposable 4-mil gloves. Soft, elastic material exerts less pressure on the hand for comfort, dexterity and sensitivity. Box of 100.

Compliance: FDA guidelines for Class 1 medical devices.
