

DC/DC CONVERTER TRANSFORMER

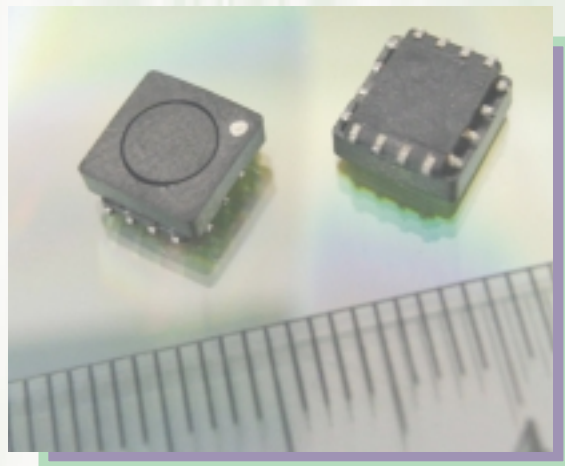

STQB83 Type

Features :

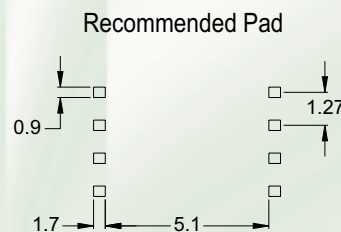

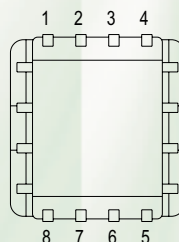

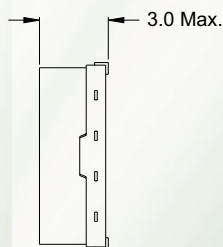

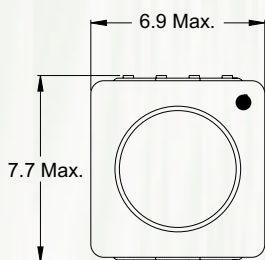

- Suitable for high density mounting.
- Low profile (3.0mm Max. Height)
- Small size (6.9x7.7mm Max. Footprint)

Applications :

- Digital still camera.
- Digital video camera.
- LCD TV.
- Camcorder.

Mechanical Dimension: Unit: mm

Specifications :

- Inductance : 3.0mH Max.
- Operating frequency : 1M Hz Max.
- Operating power : 1.0W Max.(1M Hz)
- Special Design for customer require .
