

Important notes about Classic Panel Mount Indicator Catalog Pages

SCROLL DOWN TO VIEW CATALOG PAGE

This catalog page is out-of-print and is used with the understanding that the information shown could be out-of-date. In many cases, part numbers shown on this page are discontinued. Most notably, many "Complete Assembly" parts, which consist of a cap and a base, can no longer be ordered by the 14-digit ordering code. To obtain these parts, please order the cap and base part numbers separately. This process provides the components contained with the original "Complete Assembly" part number.

All Dialight Classic Panel Mount Indicators need a leading 3-digit numerical series. In some cases, this catalog will show a 2-digit series. In this case, please add a leading zero. For example, 81-0211-300 becomes 081-0211-300.

Part numbers listed on Dialight catalog pages designate parts with Red lenses. For ordering lens colors other than red, consult the chart below. In most cases, the color is dictated by the 7th digit. For example, 095-0932-003 for a green cap.

Lens Colors	
1 - Red	5 - White
2 - Green	6 - Light Yellow
3 - Yellow	7 - Clear
4 - Blue

Neon Indicators

WITHOUT BUILT IN RESISTORS

MEET OR EXCEED ENVIRONMENTAL AND OPERATIONAL REQUIREMENTS
OF MIL-L-6723 AND MIL-L-3661B

When connecting a neon light to a circuit having one side grounded, always
connect the hot side of the circuit to the terminal marked + (Center Contact).

MATERIALS AND FINISHES (For Front Mtg. Assemblies)

- **Mounting Bushing:** Brass, black nickel finish. Optional—White nickel or chrome finish.
- **Mounting Nut:** (fixed flange)—Brass, white nickel finish.
- **Internal-tooth Lockwasher:** Phosphor bronze, white nickel finish.
- **Terminals:** Brass, hot tinned with elongated slot.

MOUNT IN 17/32" CLEARANCE HOLE
FRONT OF PANEL INSERTION
WITH FIXED FLANGE

137-7336-0931-201

How to designate the Three Digit Part Number Suffix (—XXX)

Finish	Resistor	Hardware
1 — white nickel	0 — none	1 — brass
2 — black nickel		3 — water tight on face of panel
3 — polished chrome		

Example: 137-8536-0931-301 (polished chrome finish,
no resistor, brass hardware).
