Sensor/actuator flush-type socket, 8-pos., M12 SPEEDCON, rear/screw mounting with M16 thread, with straight solder connection

#### Why buy this product

## Key commercial data

| Packing unit                         | 20 pc                          |
|--------------------------------------|--------------------------------|
| Minimum order quantity               | 20 pc                          |
| GTIN                                 | 4 046356 534017                |
| Weight per Piece (excluding packing) | 14.19 g                        |
| Custom tariff number                 | 85366990                       |
| Country of origin                    | Germany                        |
| Product key                          | ABQCAB                         |
| Note                                 | Made to Order (non-returnable) |

#### Technical data

# Dimensions

| Length of the solder pin 6 mm |
|-------------------------------|
|-------------------------------|

#### Ambient conditions

| Ambient temperature (operation) | -25 °C 85 °C (Plug / socket)                |
|---------------------------------|---|
|                                 | -40 °C 85 °C (without mechanical actuation) |
| Degree of protection            | IP67  |

## General

| Note | The electrical and mechanical data specified assume that the connector pair is correctly locked and mounted. If the connector is unlocked and if there is a danger of contamination, the connector must be sealed using a protective cap > IP54. Influences arising from litz wires, cables or PCB assembly must also be taken into consideration. |

# Technical data

## General

| Rated current at 40°C       | 2 A                                   |
|-----------------------------|---------------------------------------|
| Rated voltage               | 30 V                                  |
| Rated surge voltage         | 0.8 kV                                |
| Number of positions         | 8                                     |
| Contact resistance          | $\leq$ 3 m $\Omega$                   |
| Insulation resistance       | $\geq$ 100 M $\Omega$                 |
| Coding                      | A - standard                          |
| Standards/regulations       | M12 connector IEC 61076-2-101         |
| Status display              | No                                    |
| Surge voltage category      | II                                    |
| Pollution degree            | 3                                     |
| Connection method           | Solder pins                           |
| Insertion/withdrawal cycles | > 100                                 |
| Torque                      | 3 Nm 4 Nm (Installation-side)         |
| Mounting type               | Rear mounting M16 x 1.5 With flat nut |

#### Material

| Inflammability class according to UL 94 | V0                           |
|---|------------------------------|
| Contact material                        | CuZn                         |
| Contact surface material                | Au                           |
| Contact carrier material                | PA 66                        |
| Material, knurls                        | Zinc die-cast, nickel-plated |
| Sealing material                        | NBR                          |

## Cable

| Ambient temperature (operation) | -40 °C 85 °C (cable, fixed installation)    |
|---------------------------------|---|
|                                 | -25 °C 85 °C (cable, flexible installation) |

#### Accessories

Accessories

Protective cap

Screw plug - PROT-M12 - 1680539

An M12 screw plug for the unoccupied M12 sockets of the sensor/actuator cable, boxes and flush-type connectors

#### Accessories

Screw plug - PROT-M12 SH - 1503302

An M12 screw plug for the unoccupied M12 sockets of the shielded sensor/actuator cable, boxes and flush-type connectors

Screw plug - PROT-M12 FB - 1555538

M12 high-grade steel screw plug, for unoccupied M12 sockets of the sensor/actuator cables, boxes and flush-type connectors for the food industry

#### Seal

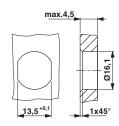

Flat gasket - SACC-M16-SEAL CLM - 1430394

M16 flat gasket, for rear mounting of M12 flush-type connectors with M16 fastening thread

#### **Drawings**
