

Tamper Evident Security Tape

- Tamper evident tapes offer an excellent deterrent and added protection for a wide range of products.
- The tapes can be used to secure electrical goods, designer clothing, mobile phones in transit and also sensitive materials including drugs, evidence, documents, medical samples and much more.
- The tamper evident tapes incorporate an indicator, designed to provide visual evidence that tampering has occurred and that the tape has been removed.
- The tamper evident range is used by a variety of industries including OEMs, banks, airline services, pharmaceutical, forensic and confidential document printers.
- Reveal Text: OPENED / FRAUD / VOID
