### Modular Adapters

| Retail Part No. | Bulk Part No. | Figure Number | Male Contact | # Female Jacks | # Female Contacts per Jack | Color | Function                                                  |
|-----------------|---------------|---------------|--------------|----------------|----------------------------|-------|-----------------------------------------------------------|
| 30-9654         | 30-9654-BU    | 1             | 4            | 2              | 4                          | Ivory | Splits a 4 conductor jack into 2, 4 conductor jacks       |
| 30-9615         | 30-9615-BU    | 1             | 4            | 2              | 4                          | White | Splits a 4 conductor jack into 2, 4 conductor jacks       |
| 30-9647         | 30-9647-BU    | 1             | 6            | 2              | 6                          | Ivory | Splits a 6 conductor jack into 2, 6 conductor jacks       |
| 30-9646         | 30-9646-BU    | 1             | 6            | 2              | 6                          | White | Splits a 6 conductor jack into 2, 6 conductor jacks       |
| 30-9649         | 30-9649-BU    | 2             | 8            | 2              | 8                          | Ivory | Splits an 8 conductor jack into 2, 8 conductor jacks      |
| 30-9648         | 30-9648-BU    | 2             | 8            | 2              | 8                          | White | Splits an 8 conductor jack into 2, 8 conductor jacks      |
| 30-9655         | -             | 3             | 4            | 2              | 2x2                        | Ivory | Converts a 2-line jack into 2 single jacks                |
| 30-9656         | 30-9656-BU    | 4             | 4            | 3              | 4                          | Ivory | Splits a 4 conductor jack into 3, 4 conductor jacks       |
| 30-9617         | 30-9617-BU    | 4             | 4            | 3              | 4                          | White | Splits a 4 conductor jack into 3, 4 conductor jacks       |
| 30-9658         | -             | 5             | 4            | 3              | 1x4, 2x2                   | Ivory | Converts a 2-line jack into 1-2 combo, and 2 single jacks |
| 30-9663         | -             | 4             | 6            | 3              | 2                          | Ivory | Splits a 6 conductor jack into 3, 2 conductor jacks       |
| 30-9664         | -             | 4             | 6            | 3              | 2                          | White | Splits a 6 conductor jack into 3, 2 conductor jacks       |

### Modular In-line Couplers

| Retail Part No. | Bulk Part No. | Figure Number | # Female Jacks | # Female Contacts per JACKS | Color | Function                               |
|-----------------|---------------|---------------|----------------|-----------------------------|-------|----------------------------------------|
| 30-9678         | 30-9678-BU    | 6             | 2              | 4                           | Ivory | Reverse - Voice Communications         |
| 30-9618         | 30-9618-BU    | 6             | 2              | 4                           | White | Reverse - Voice Communications         |
| 30-9686         | 30-9686-BU    | 6             | 2              | 6                           | Ivory | Reverse - Voice Communications         |
| 30-9682         | 30-9682-BU    | 6             | 2              | 6                           | Ivory | Straight through - Data Communications |
| 30-9687         | 30-9687-BU    | 6             | 2              | 6                           | White | Reverse - Voice Communications         |
| 30-9683         | 30-9683-BU    | 6             | 2              | 6                           | White | Straight through - Data Communications |
| 30-9688         | 30-9688-BU    | 6             | 2              | 8                           | Ivory | Reverse - Voice Communications         |
| 30-9684         | 30-9684-BU    | 6             | 2              | 8                           | Ivory | Straight through - Data Communications |
| 30-9689         | 30-9689-BU    | 6             | 2              | 8                           | White | Reverse - Voice Communications         |
| 30-9685         | 30-9685-BU    | 6             | 2              | 8                           | White | Straight through - Data Communications |

### Modular 3-Way Couplers

| Retail Part No. | Figure Number | # Female JACKS | # Female Contacts per Jack | Color | Function                                                              |
|-----------------|---------------|----------------|----------------------------|-------|-----------------------------------------------------------------------|
| 30-9679         | 7             | 3              | 4                          | Ivory | Creates 2 modular jack outlet for the end of a modular extension cord |
| 30-9669         | 7             | 3              | 4                          | White | Creates 2 modular jack outlet for the end of a modular extension cord |

### Retrofit Adapters

| Retail Part No. | Bulk Part No. | Figure Number | Male Contact | # Female JACKS | # Female Contacts per Jack | Color | Function                                       |
|-----------------|---------------|---------------|--------------|----------------|----------------------------|-------|------------------------------------------------|
| 30-9600         | 30-9600-BU    | 8             | Screw Term   | 1              | 4                          | Ivory | Converts hardwired system to modular, w/ cover |
| 30-9601         | 30-9601-BU    | 8             | Screw Term   | 1              | 4                          | White | Converts hardwired system to modular, w/ cover |
| 30-9650         | 30-9650-BU    | 9             | 4 Prong      | 1              | 4                          | Ivory | Converts standard 4 prong to modular           |
| 30-9652         |               | 10            | Spade Lug    | 1              | 4                          | Ivory | Connects a standard phone to a modular jack    |
