The special die-cast alloy and the multi-layered surface sealing provide complete protection for the HDC housings. The cleverly designed interlock system is manufactured from stainless steel. That guarantees a long lifespan with high resistance to corrosion and impact.

The housing interlock system provides integrated safety. Our unique, patented spring system provides the housing interlock with a secure grip and prevents accidental opening. This makes the interlock resistance to vibration and impact.

The laser marking allows for easy and quick identification. Each housing is permanently labelled with a laser marking so that each product can be quickly designated and positioned.

General ordering data

Order No.	1665640000
Type	HDC 24B DMDQ 2QB
Version	HDC enclosures, Size: 8, Protection degree: IP 66, Cover for upper part of housing, Side-locking clamp on lower side, Standard
GTIN (EAN)	4008190422660
Qty.	1 pc(s).
