

PRODUCT SPECIFICATION

Brand	C.K
Product Range	Tape5 tape measures
Catalogue number	610
Date	09/05/2007

Range Description

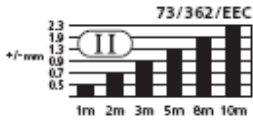

A range of two sizes of Professional specification tape measures, offered with a variety of Merchandising options.

Features

- Autobrake system – automatically stops the tape from recoiling when extended, offering fast and convenient measuring
- Magnetic hook tip – The magnet will hold the end of the tape to metal, ideal for steel work, lintels etc
- Rubber grip hook - the rubber grip hook holds the tape securely over the edge of smooth and chamfered surfaces, making measurement hassle free
- Big Blade standout – the 25mm wide blade is designed to give over 2m standout without bending making measuring easier in unsupported long reach areas
- ABS and Rubber body – a bonded rubber jacket giving 75% area protection to the tough ABS plastic body offers substantial damage protection for demanding conditions
- Measures with Class II accuracy to ensure everything fits
- Integrally moulded belt clip – Tough and impossible to come loose in use
