

tesa® 4024

Universal carton sealing tape

PRODUCT INFORMATION

Product Description

tesa® 4024 PV 2 is based on a PP backing coated with a special high tack water based acrylic adhesive. The excellent tack of the adhesive secures a good sealing immediately after application.

tesa® 4024 PV 2 has the following additional features:

- Low noise unwinding.
- Excellent ageing resistance.
- It can be used on all common hand dispensers and machines.

As the product is chlorine free and based on derivatives of mineral oil only, the disposal by heat treatment is environmental friendly.

The process of cardboard waste recycling will be not disrupted as confirmed by leading recycling companies and paper mills.

Main Application

Manual and automatic sealing of light and medium-range weight cartons.
