

## Filament lamp, BA 9s base (MBC/MCC), 12 - 15 V

## 1.90.060.132/0000

Ratings and operating life specifications generally refer to the lower rated voltage value. Operating life specifications of lamps refer to AC operation. With DC operation, these are reduced by about 40%.

Electrical characteristics	
Rated power	2 W
Rated voltage	12 - 15 V
Rated current	0.166 A
Other specifications	
Diameter max.	11 mm
Length max.	29 mm
Medium operating life AC	10000 h
Socket	BA 9 s
