

### Plug in socket

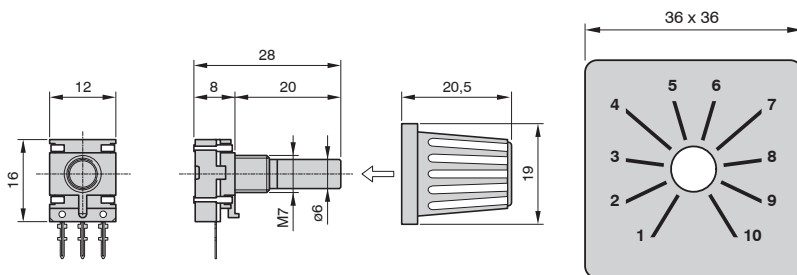

| Plug in socket 11 poles    | Article no. |
|----------------------------|-------------|
| SSK 11 N                   | 41910006    |
| (Order data see chapter 1) |             |

### External potentiometer

| Potentiometer POTSET       |              |
|----------------------------|--------------|
| Resistor                   | 1 M $\Omega$ |
| Article no.                | 41920033     |
| (Order data see chapter 1) |              |

Potentiometer, turning knob and scale are included in the delivery

| Potentiometer EXPOT 1      |                 |
|----------------------------|-----------------|
| Resistor                   | 1 M $\Omega$    |
| Angle of rotation          | 295 °           |
| Front protection           | IP 64           |
| Mounting diameter          | 22,5 mm         |
| Connection                 | Screw terminals |
| Article no.                | 41920034        |
| (Order data see chapter 1) |                 |
