

- 
- Technical drawing of a mechanical part, SECTION X-X, showing a cross-section of a multi-ported component. The drawing includes dimensions in inches and millimeters, surface texture symbols, and a datum reference symbol. Key dimensions include a total width of 10.59 [0.417] MAX, a central hole diameter of 0.64 [0.025] x 45° TYP, and a central hole depth of 1.93 ± 0.2 [0.076 ± 0.008]. Surface texture symbols are present on the top and bottom surfaces. A datum reference symbol 'A' is shown on the right side. The section is labeled 'SECTION X-X' at the bottom.
