

Technical drawing of a probe. The drawing shows a side view of the probe with a circular handle on the left and a long, thin shaft. The handle has a central button and a circular base. The shaft is long and thin, with a series of vertical lines near the tip indicating a textured or flexible section. The drawing includes several dimension lines and labels:

- A**: Dimension line indicating the thickness of the shaft.
- B**: Dimension line indicating the diameter of the shaft.
- C**: Dimension line indicating the length of the handle.
- D**: Dimension line indicating the height of the handle base.
- E**: Dimension line indicating the total height of the handle assembly.
- F**: Dimension line indicating the total length of the probe.
