Conductive Containers

Product Data Sheets: Rigid Tote Bins

**Exclusive UK Distributors
EF Conductive Series**

EF Euro-Fix Series Conductive Containers from SSI Schaefer are available from stock held exclusively by GWP Conductive, in a range of sizes. These Rigid Tote Bins provide an ideal container for manual and automatic handling.

Efficient supply, storage and distribution are guaranteed by using the extensive EF series by SSI SCHAEFER. Sturdy stacking rims and flat bottom surface ensure that the containers can be securely stacked with a stacking load of up to 600kg, independent of the area of use.
