Crimping tools for fibre-optic cable connectors

- Ratchet guarantees precise crimping
- Release option in the event of incorrect operation

General ordering data

Type	HTX-IE-POF
Order No.	1208870000
Version	Crimping tool
GTIN (EAN)	4032248990269
Qty.	1 pc(s).

Product information

Descriptive text technical data

HTX-IE-POF

- Only one tool for the entire processing procedure of the SC-RJ plugs
- For processing 1 mm thick polymer optical fibres, especially for PROFINET and ETHERNET/IP SC-RJ connectors
- For stripping Duplex polymer optical fibres
- The plugs are crimped and the polymer optical fibres are cut in a single step
- The cut faces do not need additional polishing
- Locator for precise positioning of the SC-RJ plugs
- Ergonomically shaped handles
- High repeatability
- Tested to more than 15,000 operations

Just three steps to finish the IP67 connector:

- 1) Strip the polymer optical fibre cable
- 2) Crimping and cutting
- 3) Crimp the strain relief
