TEC 3100 THE ALL ELECTRONIC HIGH OUTPUT HOTMELT APPLICATOR

The **TEC 3100** is an *all new* revolutionary designed high output Hotmelt Glue Gun, an ideal production tool for product assembly and packaging applications.

- ★ Carefully designed for maximum performance and reliability.
- ★ Centrally positioned handle for balance and operator comfort.
- ★ High output - up to 3kg of molten glue per hour.
- ★ Silicon shrouded nozzle for extra safety.
- ★ Easy temperature adjustment via optional plug-in modules to suit all types of hotmelts; e.g., Low-Melt, E.V.A.'s & Polyamides.
- ★ Uses large size TEC-BOND 43mm Diameter glue cartridges for high load capacity.
- ★ Full hand grip trigger for greater leverage with less effort.
- ★ Advanced electronics for fast warm-up time, including automatic stand-by feature.
- ★ Built-in gun stand (incorporating nozzle spanner) to improve productivity.
- ★ 12 Months Warranty.
