

HD 449

Ergonomic, closed-back stereo headphones with incredible sound detail and clarity

Sennheiser's HD 449 stands out from the crowd with its striking, kink design and high-quality audio reproduction. Delivering detailed sound and clarity, both indoor and outdoor with its advanced acoustic system, these headphones are guaranteed to please. Its design ensures a comfortable fit around your ears and isolate against ambient noise. Completing the package are gold plated plugs, extension cable and adaptor for excellent connectivity anywhere.

- Advanced acoustic system with powerful neodymium magnets and lightweight diaphragms: For a lifelike stereo sound experience
- Closed circumaural headphone design: Isolate against ambient noise
- Ergonomic design: Provides a comfortable fit
- Gold plated plugs and 6.3mm stereo adapter: Excellent connectivity, also with home Hifi equipment
- Carrying pouch and extension cable: For protection and added length
- Optimised for portable audio including MP3, CD players, iPad, iPod, iPhone and mobile phones
- 2-year warranty
