

PLEASE CHECK WWW.MOLEX.COM FOR LATEST PART INFORMATION

Part Number:

39533-8310

Status:

Active

Overview:

Eurostyle™ Terminal Blocks

Description:

5.08mm Pitch Eurostyle™ Vertical Plug, with Standard Imprinting, Front Wire Entry, Green Housing, 10 Circuits

Documents:

Drawing (PDF)

Product Specification PS-39500-001 (PDF)

RoHS Certificate of Compliance (PDF)

|                               |                                           |
|-------------------------------|-------------------------------------------|
| General                       |                                           |
| Product Family                | Terminal Blocks                           |
| Series                        | 39533                                     |
| Application                   | N/A                                       |
| Comments                      | with Standard Imprinting Front Wire Entry |
| Component Type                | Plug                                      |
| Overview                      | Eurostyle™ Terminal Blocks                |
| Product Name                  | ESE, Eurostyle™Pluggable                  |
| Type                          | Euro Block                                |
| UPC                           | 822350534789                              |
| Physical                      |                                           |
| Circuits (Loaded)             | 10                                        |
| Entry Angle                   | Horizontal                                |
| Lock to Mating Part           | Yes                                       |
| Number of Rows                | 1                                         |
| Orientation                   | Vertical                                  |
| Panel Mount                   | No                                        |
| Pitch - Mating Interface      | 5.08mm                                    |
| Pitch - Termination Interface | 5.08mm                                    |
| Polarized to Mating Part      | Yes                                       |
| Stackable                     | No                                        |
| Temperature Range - Operating | -40°C to +105°C                           |
| Wire Size AWG                 | 12, 14, 16, 18, 20, 22, 24, 26            |
| Wire Size mm²                 | 0.13 - 3.31                               |
| Electrical                    |                                           |
| Current - Maximum per Contact | 18A                                       |
| Voltage - Maximum             | 300V                                      |
| Material Info                 |                                           |
| Reference - Drawing Numbers   |                                           |
| Product Specification         | PS-39500-001                              |
| Sales Drawing                 | SD-39533-001                              |
