

3M Mouse Pad Standard BP MS201 Blue 3M

The patented 3M Precise optical mousing surface helps virtually any mouse work better. The textured surface provides excellent contrast for optical or ball mouse.

General Information

- Precise™ mousing surface; light-reflective, micro-groove design improves tracking performance of both optical and standard mice.
- Superior wrist 'glide-ability'
- Soothing medical gel reduces contact pressure
- Fully washable
- Leak free construction
- Non-skid base with strengthened edges
- Dimensions - 22.1cm (8.7") width x 23.4cm (9.2") depth x 2cm (0.8") height
- Designed to minimise the risk of Repetitive Strain Injury (RSI), this is a mouse mat with a difference.
-
- It's fully washable, features a leak free construction and non-skid base with strengthened edges. From 3M - inventors of the gel wrist rest.
-
- Supreme mouse traction for either optical or ball mice - the 3M Precise™ Mousing Surface features a micro-groove polymer surface which virtually eliminates slippage at faster mouse speed.
-
- Point, click and drag quickly, smoothly and accurately. Featuring superior wrist 'glide-ability' from soothing medical gel which is cool to touch and reduces contact pressure.
