

Enclosed Molded Case Circuit Breakers Motor Operated

Motor operated enclosed circuit breakers are utilized whenever it is desired to control the operation of an individually mounted circuit breaker from a remote location. Enclosed motor operated circuit breakers are available in either NEMA Type 1, 3R or 12 construction. 120 Vac control circuit required for operation of motor operator. Sufficient space is included for field installation of a terminal block for convenient end-user control circuit wiring. Not UL Listed.

Contact Local Field Sales Office for catalog number prior to quoting or placing an order.

Enclosed motor operated circuit breaker with neutral.

- Specify circuit breaker catalog number (ex: FAL36060).
- Specify top or side mounted operator.
- Specify enclosure type (ex: NEMA Type 1, 3R, 12).
- Specify if neutrals are required (Same Price).

Order Point – Lexington

Shipment: 6 weeks.

Price includes 3-pole circuit breaker, motor operator, and neutral assembly factory assembled in specified enclosure.

Breaker Type	NEMA Type 1	NEMA Type 3R	NEMA Type 12
	Price	Price	Price

Enclosed FAL, KAL, FIL or KIL With Ground Fault Module (GFM)

- Ground Fault Modules (GFM) can be field installed on FAL, FHL, FCL, KAL and KHL circuit breakers and enclosed in the next larger size NEMA Type 1 or 3R Enclosure, KA and LA respectively, requires G suffix (ground fault shunt trip) circuit breaker. See page 6-16.

Contact Local Field Sales Office for catalog number prior to quoting or placing an order.

Enclosed circuit breaker with ground fault module

- Specify circuit breaker catalog number: (ex: KAL36225G)
- Specify enclosure type (NEMA Type 1, 3R, 4-4X-5 stainless steel or 12)

Order Point – Lexington

Shipment: 6 weeks.

Enclosed Walking Beam Mechanical Interlock

Industrial molded case circuit breakers with walking beam mechanical interlocks are available in NEMA Type 1 and 3R construction as completely enclosed device. Walking beam mechanical interlock is available manually operated or electrically operated using (2) 120 Vac motor operators. Not UL Listed.

Contact Local Field Sales Office for catalog number prior to quoting or placing an order.

Enclosed walking beam mechanically interlocked circuit breaker.

- Specify breaker catalog numbers.
- Specify manually or electrically operated
- Specify enclosure type (NEMA Type 1 or 3R).
- Specify if neutrals are required. (Same Price).

Order Point — Lexington

Shipment: 6 Weeks.

Price includes (2) walking beam 3-pole circuit breakers, walking beam operator and mounting pan, (2) neutrals (if specified), and (2) motor operators (if specified) factory assembled in specified enclosure.

Circuit Breaker Catalog Number Prefix (Standard Thermal Magnetic Only)	Manually Operated		Electrically Operated
