

Magnetic Sweeper

Features

- Unique pump action demagnetizer lets you easily remove metal objects
- No need for gloves or wipe clothes. Just pull back on the pump action handle and empty the magnet bar
- Collapsible handle "tight spot" magnet tip fits into corners

Description

Durable magnetic floor sweepers are well built and incredibly strong with powerful magnetism. Attaches easily. Clear parking areas, workshops, garages and more. Reduce the possibility of costly flat tires or personal injury and decrease the time needed to clean up scattered ferrous metal material.
