Cable Stripping Tool

Image
Unavailable

Cat No: 1903

UPC No: 783310126799

Description

- Triple action stripping - rotary, linear, and spiral - Window stripping is accomplished by combining 2 rotary cuts with a spiral cut in between them
- Eliminates Cable Scoring. Blade height is adjustable to precisely match insulation thickness
- Interchangeable cable guides for small and large cable diameters
- Hook on the cable guide is used to start jacket removal without the need to use a screwdriver or pliers
- Replacement blade storage pocket in the base of the tool
- Long life, high-carbon steel blade
- Ergonomic handle shape
- Suitable for most jacket materials
