

OPTOTRONIC OTp DALI 35/220-240/700 HD

Power supplies for LED Light engines

Product features

- DALI versions available

Product line drawing
OTp DALI 35/220...240/700 HD

Technical data

Product description	Ambient temperature range	Input voltage	Nominal voltage	Mains frequency	Output voltage	Dimming interface
OTp DALI 35/220...240/700 HD	-20...+50 °C	198...264 V ¹⁾	220...240 V	50...60 Hz	120 V ²⁾	DALI

¹⁾ Permitted voltage range

²⁾ Maximum

Equipment / Accessories

- Optional cable clamp for strain relief

Application advice

For more detailed application information and graphics please see product datasheet.

Disclaimer
