

A top-down view of a rectangular circuit board. The board has a central horizontal strip with two circular pads. On the left and right sides, there are larger rectangular pads. The board is surrounded by a border. Numbered pads are located at the corners and midpoints of the board's perimeter: 1 (top-left), 2 (top-center), 3 (top-right), 4 (top-right corner), 5 (bottom-right corner), 6 (bottom-right), 7 (bottom-center), and 8 (bottom-left).

Technical drawing of a mechanical part with dimensions:

- Overall width: $10^{+0.08}_{-0.08}$
- Overall height: 1.2
- Width of the central section: $3.2^{+0.15}_{-0.15}$
- Width of the side sections: $2.2^{+0.15}_{-0.15}$
- Radius of the side sections: 0.4
- Radius of the central section: $2.2^{+0.15}_{-0.15}$
