

# 9162 Slide-In Low Profile SIM Connector

## GENERAL DESCRIPTION

- Six position Slide-In SIM
- Low Profile – 0.70mm to SIM base
- Side bracket to add solder security
- SIM guidance using the side walls

## KEY FEATURES AND BENEFITS

- SMT Slide-In SIM
- Molded in high temperature LCP
- 0.38µm Gold on contact surface and gold flash on contact tails
- 1.60mm connector height
- Tape & Reel packaging

## HOW TO ORDER

| 00     | 9162   | 006                | 40                     | 1                                                                                         | 070                              |
|--------|--------|--------------------|------------------------|-------------------------------------------------------------------------------------------|----------------------------------|
| Prefix | Series | Number of Contacts | SIM Type               | Contact Plating                                                                           | SIM Height                       |
|        |        |                    | 40 = SMT, Slide-in SIM | 0.38µm Gold on Contact Surface and Gold Flash on Solder Tails. Underplated 1.27µm Nickel. | Height of SIM Card: 0.70 (0.028) |
