### Features

|   |                                                                                                                                                                                                                    |
|---|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| - | These terminals are self-insulated with a PVC insulation sleeve of extra length to give protection and relieve bending stress at wire's flex point. Braided seam barrel is serrated to obtain high pull-out value. |
|---|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### General

|                  |                     |
|------------------|---------------------|
| -Insulation Type | Insulated Vinyl     |
| -Terminal Series | RC                  |
| -Material        | Copper              |
| -Finish          | Electro -Tin Plated |
| -Color           | Yellow              |
| -Wire Range      | 12-10               |
| -Stud Size       | 1/4                 |

### Dimension Information

|                              |      |
|------------------------------|------|
| -Maximum Insulation (inches) | .210 |
| -Stock Thickness             | .04  |
| -A (inches)                  | 1.16 |
| -B (inches)                  | .50  |
| -C (inches)                  | .27  |
| -M (inches)                  | .90  |

### Specifications

|                      |           |
|----------------------|-----------|
| -Temperature Rating  | 105°C     |
| -Voltage Rating      | 600V      |
| -Flammability Rating | UL 94 V-0 |

### Tooling

|                    |                                          |
|--------------------|------------------------------------------|
| -Tool Charts       | Available on Website                     |
| -Application Tools | WT145C, WT2000, WT112M, ERG4001, ERG4003 |
| -Recommended Tool  | ERG4001                                  |

### Packaging

|                        |                   |
|------------------------|-------------------|
| -T&B Order Multiple    | 50                |
| -T&B Inner Pack        | 50                |
| -Package in Units      | 250               |
| -Package Type          | Standard          |
| -T&B Sold in UOM       | Each              |
| -T&B Weight Per UOM    | 0.62 lbs. per 100 |
| -Alternate Package Qty | RC717             |

### Application Support

|                    |                      |
|--------------------|----------------------|
| -Overview          | Available on Website |
| -Wire Guide Tables | Available on Website |
