

# DIN Rail hour meter SHK07.1

supplied to **RS** by Kübler

7 digit hour meter for DIN rail mounting according to DIN 46277

## Features:

- highly shock resistant
- very low power consumption
- compact size
- very high life expectancy

## Technical Data

Electrical connection:	Screw Terminals
display:	99999.99 h
current consumption:	2mA nominal 12mA max. during impulse (one 32ms every 36s.
Digit size:	1,2 x 4 mm optical
Reset Function :	no
extended temperature:	-10°C up to +85°C
protection:	IP50 (standard 40050)
weight:	55 g
