

Deb® Protect Sunscreen

Factor 30, waterproof sunscreen for professional use, to protect the skin against the sun's harmful UV-A and UV-B rays.

Features & Benefits

Contains Vitamins B & E, Together With Three Types of Moisturisers - Helps moisturise and rejuvenate the skin, keeping the skin supple and hydrated.

Fragrance-Free - High user acceptability, will not attract insects.

Easy-to-Apply - Leaves a non-greasy after-feel and does not affect dexterity with hand held tools.

Neutral pH - Compatible with the skin's natural pH level, reducing the risk of any possible irritation.

Waterproof Formula - Withstands heavy perspiration or immersion in water in a working environment, ideal for professional users.

Versatile - Can be used under clothing. Minimises the risk of penetration of the sun's rays through fabric on to the skin.

Toxicological Approval - Product toxicologically assessed and declared 'non-toxic'.

Regulatory Compliance - Complies with Directive 76/768/EEC. Not tested on animals.

Dermatologically Tested - Proves it is non-irritant.
