

# Cable Assemblies 3.5mm

172-7435-E

Cable Assemblies 3.5mm

172-7435-E

Dimensions: mm (in.)

| Electrical Specifications: |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Operation Temperature:     | -10°C - +80°C                                                           |
| Insulation Resistance:     | DC/250V 10MΩ Min.                                                       |
| Withstand Voltage:         | AC/250V 2mA, for one minute.                                            |
| Mechanical Specifications: |                                                                         |
| Tensile Strength:          | Overmold to cable jacket shall withstand 3kgf pull min. for one minute. |

RoHS Compliant

Date Last Revised: 10/20/08
