TC 121 plug socket for fastening cable ties

Application range

Fastening elements for cable ties

The quick and safe mounting method makes these plug-in sockets ideal for applications in control cabinet manufacture, household appliances, motor vehicles and office equipment.

Benefits

The plug-in socket has two openings for two different cable-tie sizes, while the plug nose and low height allows for flexible use.

Design

For cable ties: 2.8 / 4.8 mm

Remark

Photographs are not to scale and do not represent detailed images of the respective products.

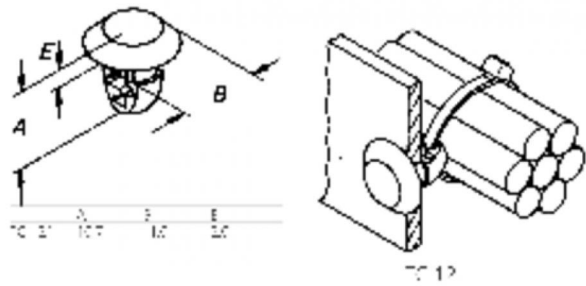

Technical Data

Article description:	TC 121
For wall thickness up to (mm):	3.3
Fastening opening (mm):	6.1
Tie width (mm):	2,4 - 4,8
Pieces / PU:	1000
Material:	Polyamide 6.6
Temperature range:	-40°C to +80°C
