

Probe Clips

Safe, fast, and easy way to test component leads.

3M's plunger-actuated Probe clips make test connections to individual component and test clip leads easier and faster, and minimize the chances of accidental shorts. Probes will provide hands-free troubleshooting and circuit testing.

Simply press on the cap of the Probe to extend the phosphor bronze contact hook. Place it on the component lead being tested, then release for a safe and secure attachment. Probe clips can also be soldered to stranded hook-up wire.

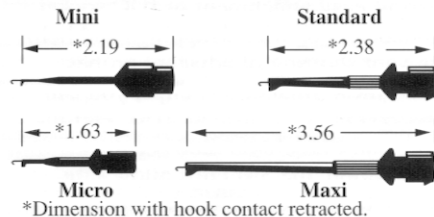

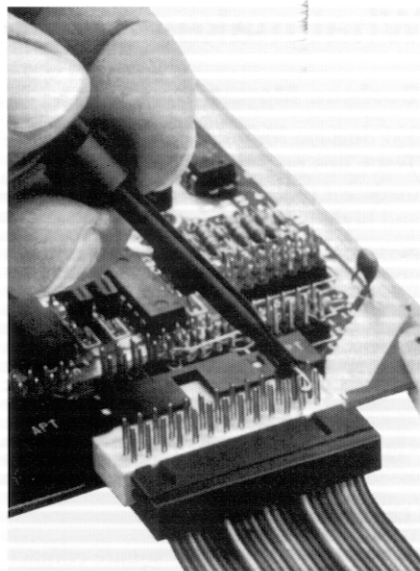

Shorts are dramatically reduced because the contact hook is always sheathed in the nylon body of the Probe clip. The contact hook is only exposed when the cap is manually pressed.

Probe clips are available in four different sizes: 1.63", 2.19", 2.38" and 3.56".

Specifications	
Contact	Phosphor Bronze
Body	Nylon

Description	Color	Part Number
Micro Probe (2 per package)	Red	923830-RD-C
	Black	923830-BK-C
	Blue	923830-BU-C
	Green	923830-GN-C
	Yellow	923830-YL-C
	White	923830-WT-C
Micro Probe Assortment (6 per package)	1 of each	923848-C
Mini Probe (2 per package)	Red	923835-RD-C
	Black	923835-BK-C
	Blue	923835-BU-C
	Green	923835-GN-C
	Yellow	923835-YL-C
	White	923835-WT-C
Mini Probe Assortment (6 per package)	1 of each	923850-C
Standard Probe (2 per package)	Red	923840-RD-C
	Black	923840-BK-C
Maxi Probe (2 per package)	Red	923845-RD-C
	Black	923845-BK-C

Probes are also available in bulk packaging

For: 3M™ Micro Probe-It - Black (923832-BK-B) - Bulk Package - Black Micro Probe-It

Reference: 3M™ Micro Probe-It - Black (923830-BK-C) - 2/Package - Black Micro Probe-It

For: 3M™ Micro Probe-It - Red (923832-RD-B) - Bulk Package - Red Micro Probe-It

Reference: 3M™ Micro Probe-It - Red (923830-RD-C) 2/Package - Red Micro Probe-It

For: 3M™ Micro Probe-It - White(923832-WT-B) - Bulk Package - White Micro Probe-It

Reference: 3M™ Micro Probe-It - White (923830-WT-C) - 2/Package - White Micro Probe-It
