

**SOLENOID VALVES**

Part No. A3214-1M-SB-E-EO-MM-C204  
Unit Price  
Lead  
Time(Days) 25

| Technical Specifications        |                                              |
|---------------------------------|----------------------------------------------|
| <b>Body Orifice:</b>            | 1/16"                                        |
| <b>Stop Orifice:</b>            | 1/16"                                        |
| <b>MOPD:</b>                    | 75                                           |
| <b>Body Cv:</b>                 | 0.070                                        |
| <b>Stop Cv:</b>                 | 0.070                                        |
| <b>Power:</b>                   | 6 Watts                                      |
| <b>Body Style:</b>              | Grommet                                      |
| <b>Model:</b>                   | (A) A Valve                                  |
| <b>Primary Prefix:</b>          | (A3214) 3-way N. O., Grommet Housing (A3214) |
| <b>Coil Construction:</b>       | (1M) Over Moulded Coil, Class-B, Lead Wires  |
| <b>Body Material:</b>           | (SB) 304 Stainless Steel                     |
| <b>Plunger Seal Material:</b>   | (E) EPR                                      |
| <b>O-Ring Material:</b>         | (EO) EPR                                     |
| <b>Body Port Configuration:</b> | (MM) Manifold Mount see catalog for details  |
| <b>Voltage:</b>                 | (C204) 24 VDC                                |

| Ordering Information        |                          |
|-----------------------------|--------------------------|
| <b>Part Number:</b>         | A3214-1M-SB-E-EO-MM-C204 |
| <b>List Price:</b>          |                          |
| <b>Lead Time:</b>           | 25 Days                  |
| <b>Min. Order Quantity:</b> | 5                        |
| <b>Shipping Weight:</b>     | 0.31 lbs.                |
